INFORMATION DISCLOSURE STATEMENT

Sir:

The references listed on the attached form SB/08A are being called to the attention of the Examiner. Each of the references was cited in an Information Disclosure Statement (IDS) previously filed on February 26, 2004 in the above-identified pending U.S. application. However, in the previously filed IDS, copies of certain of the cited references were not included, and therefore, not considered by the Examiner. Accordingly, copies of the those references which were previously cited, and which were crossed out on form SB/08A by the Examiner in an Office Action dated June 15, 2004, are also enclosed herewith.

It is respectfully requested that the cited information be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is made that a search has been conducted or that this statement encompasses all possible relevant information.
